EXPANDING COMMUNITY COLLEGE APPRENTICESHIPS (ECCA)

AACC ECCA Apprenticeship Team

Jen Worth, Sr. Vice President, Workforce and Economic Development

Anne Hoeltke, Executive Director of Apprenticeships

Callan Eschenburg, Project Manager of Apprenticeships

Lateicia Ford, Project Monitoring Specialist of Apprenticeships

Rosie Gabriel, Project Coordinator of Apprenticeships

Terminology

- U.S. Department of Labor - ETA
 - www.apprenticeship.gov
 - Dol.gov/agencies/eta/apprenticeship/contact
- **Registered Apprenticeship** – officially registered with the DOL, a earn and learn experience, OJT and RTI
- **Sponsor** – Own the Registered Apprenticeship standards in partnership with DOL and responsible for overall operation of program
- **Occupations** – O*NET Code
- **Time, hybrid or competency** – different types Registered Apprenticeship programs
- **Workforce Development Boards**

History of Registered Apprenticeships

- Colonial Period – formal training lead to an occupation.
- After Industrial Revolution – increase in technology faster production – increase in educational system – vocational schools.
- Increase in trade unions during 20th century
- Community Colleges really started becoming sponsors since 2016 – meet the demand of middle skill level jobs.

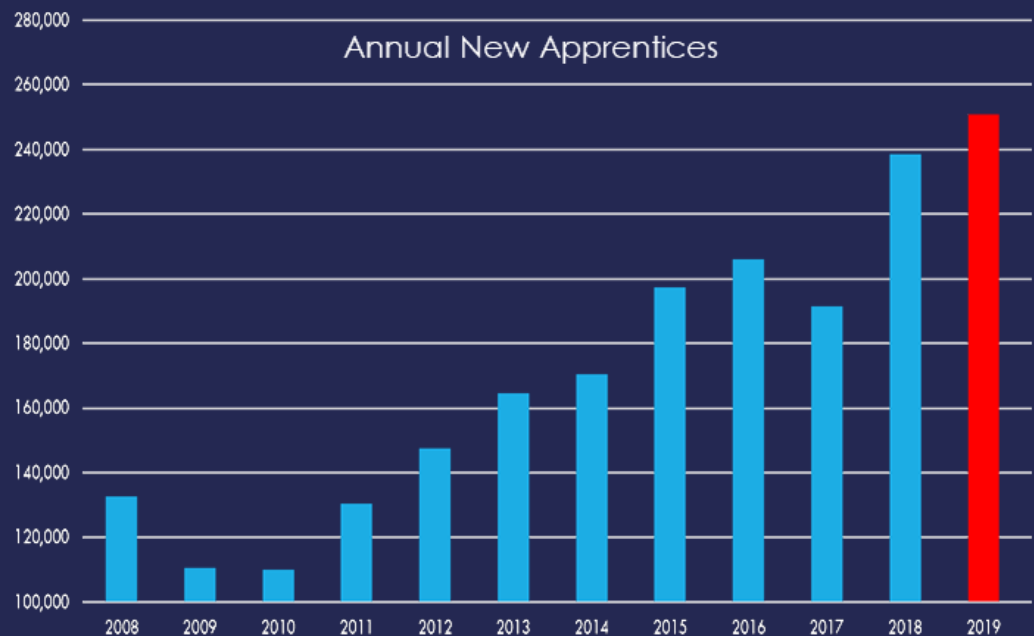

APPRENTICESHIP CONTINUES TO DEMONSTRATE STRONG GROWTH

128%

Growth in New Apprentices Since 2009

Key Facts

- 705,000+ new apprentices since 1/1/17
- 38% more active apprentices than the previous 10-year average (633,000 vs. 459,000)
- 319,000+ participants completed an apprenticeship in the last five years
- 12,300+ new apprenticeship programs created in last five years

Project Overview

- Department of Labor Cooperative Agreement
- March 1, 2019 to February 28, 2022
- Approximately \$20 Million
- 16,000 Registered Apprenticeships
 - 12,000 from Community College partners
 - 4,000 from Industry Partners

4 Project Strands

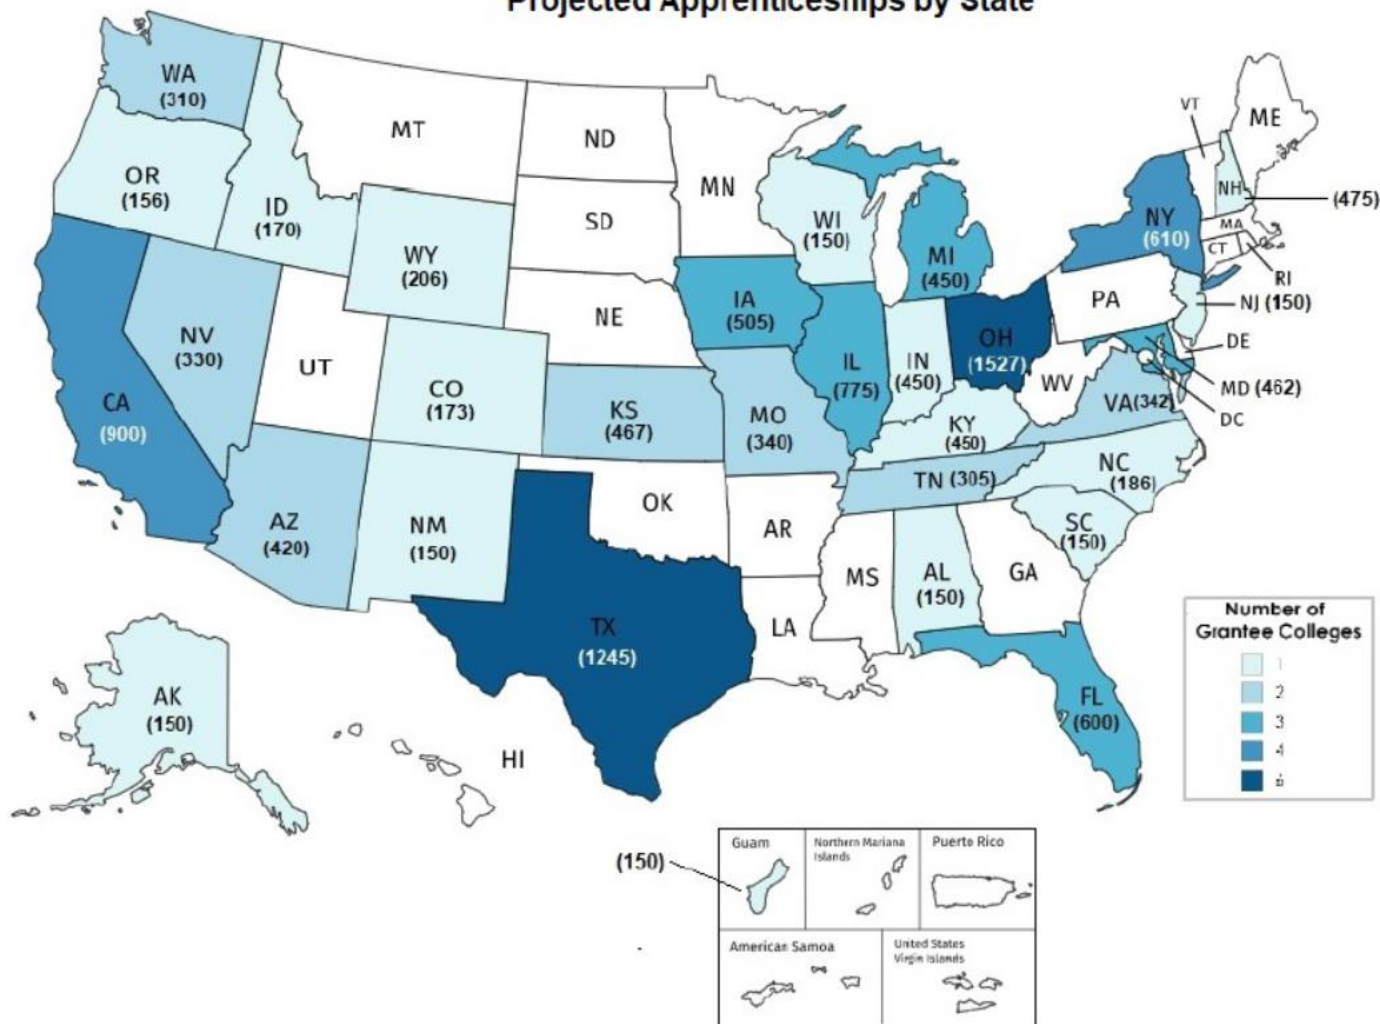

- Strand 1 – Quality Assurance
- Strand 2 – Connections and Tools for Expansion of Registered Apprenticeships with Community Colleges
- Strand 3 – Targeted State-Based Activities
- Strand 4 – Industry-Driven National Models of Apprenticeship

Strand 3: Targeted State-Based Activities

- 58 Individual College partners
- 8 College Consortia partners
- Impacting 106 communities across 31 States and Territories
- Serve 12,000 Registered Apprenticeships
- AACC will provide technical assistance and develop national tools to be shared with the wider membership
- Partnering with National Governors Association, National Association of Workforce Boards, and Jobs for the Future

Industry Partners: Examples and Strategies

The Lincoln Electric Company – National Program Standards

Welding, Combination 0622CB National Program Standards were approved by the OA National Office through work with Region V and Illinois Apprenticeship Training Representatives. The standards are for a one-year, competency-based Welding Registered Apprenticeship Program which AACC and Lincoln Electric are sharing with community college partners to expand and implement nationally.

Listed on the Apprenticeship Bulletins webpage: 2020-90: Bulletin 2020-90 New NPS Lincoln Electric
